OUR REF: POD/02277-POLICY/32A 26th October 2022

Dear **[REDACTED]**

Apologies if my letter comes to you as a surprise, since there has been no previous correspondence between us. My name is John Foster Wallace I am an attorney with John Wallace LLP U.S.A. There is an unclaimed "permanent life insurance policy" held by our deceased client.

The transaction pertains to an unclaimed "Transfer-on-Death" ("TOD") Insurance death benefit in the sum of Eleven Million Eight Hundred and Forty Thousand United States Dollars (\$11,840,000) The policy holder was one of our clients, David Melat, who was a Real Estate Investor and precious stone dealer. He died in a car accident here in USA ten years ago. Since his death all our efforts to locate any of his relatives have proved unsuccessful.

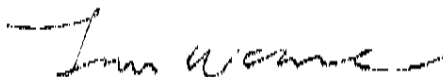

The insurance company code stipulates that "insured permanent policies" not claimed must be turned over to the abandoned property division of the state after 10 years. Therefore, I ask for your consent to be in partnership with me for the claim of this policy benefit, in view of the striking similarity and fact that you share the same last name and nationality with the deceased. If you permit me to add your name to the policy as a contingent beneficiary, all proceeds will be processed on your behalf. I wish to point out that I want 10% of this money to be shared among charity organizations while the remaining 90% will be shared between us.

This is 100% risk free; I do have all necessary documentation to expedite the process in a highly professional and confidential manner. I will provide all the relevant documents to substantiate your claim as the beneficiary. This claim requires a high level of confidentiality and it may take up to thirty (30) business days, from the date of receipt of your consent. Kindly provide a reachable contact number, for faster communication.
